# MARWAN ABDELAAL GABER ABDELAAL

**Clinical Pharmacy Graduate | Research & Academic Interests**
Giza, Egypt | marwangaber62@gmail.com | 01119606850 | Marwan Gaber | LinkedIn

## PROFESSIONAL SUMMARY

**Clinical Pharmacist graduate from Misr University for Science and Technology (MUST)**, with a strong academic background and demonstrated achievements in student research, scientific presentations, and healthcare innovation. Founder and project leader of **ALZA-MUST**, an Alzheimer's care initiative focused on AI-supported healthcare solutions. Experienced in clinical pharmacy training, evidence-based drug information retrieval, AI applications in healthcare, pharmaceutical sales and marketing, multidisciplinary teamwork, and scientific communication. Seeking to contribute to pharmaceutical education and research through a commitment to academic development, evidence-based practice, and continuous learning.

## WORK EXPERIENCE

### Medical Representative – Sato Pharma **20 Aug 2025 – 30 Nov 2025**

- Promoted and detailed key pharmaceutical products including **Royafloxacin® 500 mg** (Levofloxacin), **Saginkgo®** (Ginkgo biloba), and **Heal Quick®** Cream (Phenytoin sodium).
- Conducted medical detailing and scientific discussions with healthcare professionals focusing on antimicrobial therapy and patient outcomes.
- Actively participated in campaigns addressing antimicrobial resistance through responsible promotion of levofloxacin.
- Organized and executed **Diabetes Awareness Day activities**, including on-site blood glucose measurement for patients.
- Provided patient education on diabetes management and distributed free samples of **Saginkgo®**, gaining hands-on experience in counseling diabetic patients.

## EDUCATION

**Misr University for Science and Technology (MUST)** – Giza, Egypt
Bachelor of Pharmacy (Pharm D – Clinical) **Graduated: July 2025**
CGPA: 3.25 / 4.00
Accumulated Percentage: 82.85%
General Grade: Very Good with Honors
Final Academic Year GPA: 3.85 / 4.00

## Research Projects & Achievements
